NARBERTH REJOINS MAIN LINE LEAGUE

Change, Effective July 14, Made at Urgent Request of the League Officials.

MET WALZER'S TERMS

The Narberth Baseball Club, which has been playing independent ball so far this season, will revert to the Main Line League beginning next Saturday, July 14.

This step is the outcome of efforts of the Main Line League officials to get Narberth back in the fold. Manager Fred Walzer and Gene Davis attended a meeting of the league officials at Bryn Mawr last Monday night at which Narberth was strongly urged to re-enter the league competition. Manager Walzer presented Narberth's terms to the meeting and they were acted on favorably, the deal, however, not being officially closed until Thursday night. According to the proposition accepted by the other teams of the league, Narberth will play all games at home, with the exception of one game only away and that with Berwyn; secondly, it was agreed that Philadelphia Association umpires are to be used in all Narberth games.

In connection with this shift Manager Fred Walzer issued the following statement: "The change from independent ball to league competition is no disparagement of independent baseball. This half of the season has been profitable and successful in every way, and in returning to the league we are doing so on terms that are to the advantage of local supporters. As hitherto this season a home game will be played on the playground every Saturday and independent teams throughout the week. Furthermore, the umpires will be from the Philadelphia Association, men who will be disinterested and see that no discrimination is practiced. This is no reflection on the league ump's, but simply a precaution to insure the peaceful running off of games. I wish to thank the people of Narberth for their faithful support of the team this year and express the hope that it will continue the second half of the season. With the zest of league competition added, I am sure it will. I also wish to express my public appreciation to Harry Hollar, business manager of the team, for his excellent work at the hard task of scheduling games.

"In regard to our big game with

GREEN TALKS AT ROTARY

Wants Better Voters and Taxpayers. Hits Jury Dodgers.

A patriotic address featured the Tuesday meeting of the Bala-Cynwyd-Narberth Rotary Club. W. Russell Green, new vice president of the club, was the speaker. He made a plea for better citizenship, stressing particularly the need for greater voting turn-outs, more regard for tax obligations, and less jury dodging.

These, Mr. Green declared, were three weaknesses which challenge the democratic type of government. It is the duty of the individual citizen, he said, to develop character.

Equality of opportunity must be observed, the Rotarians were told, in order that the words of the Declaration of Independence should be fulfilled.

PARK CHILDREN CELEBRATE

The children of Narbrook Park held their own Fourth of July exercises Wednesday morning under the guidance of the older residents.

A parade around the park opened the ceremonies, followed by a flag raising, in which the stars and stripes were raised by George Albert Bailey, Jr., the two-year-old son of the president of the Narbrook Park Association.

The Declaration of Independence was read by George A. Mahl. After a short patriotic address and the singing of "America" the children were presented with appropriate souvenirs.

The celebration was given by the Narbrook Park Association under the direction of George A. Mahl and Walter E. Knecht.

Installed by Ardmore Rotary

Harry C. Bare, vice president of the Ardmore Chamber of Commerce, who took office as president of the Ardmore Rotary Club at its meeting yesterday. He is also a vice president of the Merion Title and Trust Company.

William T. McIntyre, Ardmore merchant, who was installed as vice president of the Ardmore club. Other leaders who were placed into office for the new term at the same time were Treasurer Harry T. Leedom and Secretary Albert L. Reinhold.

URGES CONTROL OF ICE CREAM SALES

Grim Wants Bacteria Low Count to Be Required by Ordinance.

HEAR GAS COMPLAINT

That an ordinance should be proposed to the Lower Merion Township Commission, governing the production, sale and distribution of ice cream here, was the proposal of Dr. George Webster Grim, Milk Control Officer, at the July meeting of the Lower Merion Board of Health, held Monday night in the Township Building at Ardmore.

The recommendation followed a report by Chemist David Wilbur Horn that one ice cream sample analyzed by him in June, showed a high bacteria count. It is proposed that the count in ice cream shall be required to be as low as that of cream. Dr. Grim's suggestion was referred to the Board's Law and Ordinance Committee, of which William F. Landis, Ardmore, is chairman.

Lower Merion's fourth public swimming pool was granted its usual season permit by the Board Monday night. It is the Green Hill Farms pool in Overbrook at City line. Other pools are the Y. M. C. A. indoor pool at Ardmore and the Rose Glen pool in Gladwyne, all of which are now in operation; and Lewis J. Smith's pool on State road, Cynwyd.

Dr. Horn reported that analysis of water here both for drinking and in the swimming pools showed satisfactory freedom from bacteria germs, and that milk, cream and ice samples examined during June had also been approved by him.

A complaint by Mrs. James D. Winsor, Cheswold lane, Haverford, was presented, regarding the presence of gas in the air. It was reported that connections of gas mains have recently been made in parts of the township, causing a temporary leakage which has since stopped.

Dr. Bertram Kingsbury Wilbur, president of the Board, who presided, read a report that leaking sewage pipes on Meeting House lane, Cynwyd, have been repaired by the township Health and Drainage Department, following receipt by the Health Board at its June meeting of complaints against conditions at Merion Park. It had been found that sewage was leaking into the storm drain which flowed into the stream running through Bowler's Woods, near the development.

A communication from the Community Center and Woman's Club of Pencoyd was read, asking that tests be made of water in a valley which is used by a number of civic organizations.

COUNCIL MONDAY

The July meeting of Council Monday night will, as has been the custom for the last few months, be held at the Community Building. The new Council Chamber in the reconstructed fire house is completed, but inasmuch as the furnishings have not been installed the Community Building will continue to see service.

DOUBLE-BARRELED WIN FOR FOURTH

Indiana Professionals on Short End of 11-9 and 6-0 Scores.

SECOND CUT SHORT

BY JOHN UBERTI

In the first game of the July 4th doubleheader Narberth, playing a "see-saw" game, finally turned the tide to down the visitors by an 11-9 count. Charlie Townsend not only administers the laws of the State but also controls the balls which he so ably hurls.

It was rather discouraging in the opening inning as the Indiana lads made three markers, and maintained their lead till the fifth. Narberth chalked up two in the third and tied it in the fifth as they grabbed another. From the sixth on it was an "up and down" contest, Narberth breaking the tie with two runs.

Gilfillan, leading hitter of the local team, still insists on wielding a mean pole. Narberth can always depend on Gilly for a hit in a critical situation. McMonagle's performance could not be adequately expressed even by the utmost limits of verbosity. The famous base-stealing king again performed his thrilling act to the approval of the 300 spectators that breathlessly watched him come home from third as Humphries singled, the bat coming about two inches away from Mac's head as he ducked below the toothpick.

With Gilfillan, Humphries and Hampshire on the lanes in the first Narberth failed to chalk up any points as Masters, McMonagle and Thomas aided in retiring the team.

The second was scoreless for both teams though the third found our boys more fortunate. McMonagle walked and Masters singled on his drive to left field, as Mac gained third. Humphries tripled, scoring McMonagle and Masters. Hampshire, Thomas and Davis ended the inning.

The fourth brought the same result as the second; the fifth tying

"Fourth Comes But Once a Year, Thank the Stars," L. M. Police Sigh

July Fourth comes only once a year—but as far as the Lower Merion Police are concerned it might just as well be dropped out of the calendar. It isn't that they have anything against the Fourth—but they object to the fireworks that go with it.

The Fourth, it seems, isn't the Fourth, even along the sedate and quiet Main Line, unless there are giant crackers, torpedoes, sparklers and other varieties of fireworks with which to observe the nation's birthday. The Lower Merion Township Commission has tried to legislate that idea into limbo and has passed ordinances prohibiting their use without a permit. And that is where the police department comes in. It's duty is to enforce those decrees.

Irrepressible youngsters and mischievous oldsters who would not be reformed, bought their fireworks supply in outside communities where the sale of these was still permitted, then ran their bootleg supply into Lower Merion to rock and startle staid neighborhoods. Not satisfied with planting giant crackers in the yards of sedate neighbors, these patriots went cruising up and down main thoroughfares of various communities in the township playfully tossing torpedoes at the feet of passersby. The results were usually startling, both to the nerves of the victims and to the ears of others in the vicinity who heard the language used upon these occasions to soothe those

POLICE VACATIONS BEGIN IN EARNEST

Majority of Men Will Take Leaves in July, August and September.

FEW WAIT FOR HUNTING

With the arrival of July annual vacations began in earnest this week for the Lower Merion Police Department. Several men have already had their leaves, but the majority of them will take their vacations in July, August and September. A few, who have an eye to hunting in the fall, will not go off until early in November.

The vacation schedule, which has been completed and is posted in headquarters in Ardmore, allows each man a 10-day leave. The only exceptions to this rule are the seven new officers who were added to the force early this year. They have been slated for no vacations, but will probably be given time off later in the season when all the old men have been cared for.

Changes may be made in the present schedule as men who are not satisfied with their leave dates may trade with others going earlier or later. The only stipulation made by headquarters is that not more than three men may be off a shift at one time.

All Get 10 Days Off.

The 10 days leave applies to all members of the force. No vacation dates have yet been listed for the commanding officers, Superintendent Smith and Lieutenants Mullin and Duke, but they will take their leaves as opportunity presents itself.

The first one on the force to get his annual vacation was Officer Carthy, who was off April 20 to May 5. Others who have already had their leaves are Officers Burton, Flynn, Malloy and Sparks, who were off June 16 to June 27, and Officer Love, who was away June 1 to June 12.

Men who are now away or will leave shortly are: A. Adams, June 28 to July 7; Blank, July 10 to 21; Behl, July 22 to August 2; N. Brown, July 22 to August 2; Ford, July 10 to 21; Garrity, July 22 to August 2; Girvin, June 28 to July 9; Hoff, July 22 to August 2.

RAIN BROUGHT RELIEF

Wednesday's Temperature Reached 90 Degrees Here, After Steady Climb.

Showers Wednesday ended a steady climb in temperature that reached 90 degrees at the height of Independence Day here, according to Main Line Weather Observer Charles Decker. The low temperature for the past week was 60 degrees last Thursday.

Main Line residents were treated to some clear weather last week, as a welcome relief from the cloudy and rainy days that characterized June. Precipitation was .63 inch last Friday, .47 inch Saturday and only .02 inch Monday. High and low temperatures for the week were as follows: last Tuesday, 85-64; Wednesday, 80-62; Thursday, 84-60; Friday, 81-65; Saturday, 80-64; Sunday, 84-61, and Monday, 88-64.

Fireworks Postponed for Fourth, Prove Short-lived on Thursday

"It always rains on the Fourth." Such comments came from cars parked along Windsor avenue Wednesday night, as the occupants gazed over a sodden waste which had once been the playground.

The baseball games were over, private exhibitions of "bootleg" fire works were starting. Several Narberth youths were nursing torn hands and powder-burned faces, the result of experiments with high explosives.

But the fireworks, the climax of the activities of the day, were awaited in vain. In the Community building the Legion Committee conferred gloomily, decided the ground was too wet and that several pieces were in no condition to fire.

So the word went around, and people scattered. Dotti's Concert Band, who have provided music for many former Narberth celebrations, stood sadly about in the dampness. "Yes," said Mr. Dotti, cheerfully, "No fireworks tonight. Sure, we will come out again Thursday night or Saturday for the price of the carfare. Narberth isn't responsible for the rain."

Thursday afternoon it rained again—hard. Then it turned to a drizzle and by eight o'clock it was almost clear. Again the committee scanned the skies and gave the signal. Nine times the new fire

siren cried out its message, rising to a shrill roar and ending in a gasp as though a giant hand had choked it.

Up Haverford avenue marched the gaping maw of a big horn. The strains of martial music were heard as Mr. Dotti paraded his men, glancing aside ever and anon to see people walking toward the playground, well fortified with slickers and umbrellas.

Those who prepared themselves thus were wise, for the pop of the first aerial bomb was answered by a trickle of rain. As the shower increased the falling raindrops were illuminated by colored pyrotechnics, and punctuated by the crash of rockets and bombs.

At 9.30 the rain was well under way, but the exhibition went bravely on. Fifteen minutes later the floods descended in all their fury and the spectators, together with the sodden field officials, deserted and fled.

The expenses of the celebration were met by a remarkable response to a letter sent out by the Committee. Nearly the entire amount was received through this mail appeal, and the contributors included a goodly percentage of the homes of Narberth.

In addition to the donors listed last week, contributions have been

NARBERTH PLAYS COLORED CHAMPS

Renowned Hildale Club to Oppose Local Team on Monday.

HAVE LICKED THE A'S

The biggest treat of the baseball season is in store for local baseball fans Monday night when Narberth plays the famous Hildale Club on the playground. Hildale has won the championship of the eastern colored league many times, and on a couple of occasions at least they have journeyed to Kansas City and defeated the champions of the western colored league, thereby crowning themselves, as the champion colored team of America.

Victories over the Athletics are also numbered among their achievements, Rommel being one of the A's pitching staff whose offerings the colored champs found to their liking.

Numbered in their line-up are several men who have been with the team for years. Otto Briggs, the Hildale captain for many years, is as smart a ballplayer as one could wish to see. Charleston, who is equally good at centerfield and first base, is known as the Babe Ruth of the colored teams. Warfield, Hildale's second baseman, is another of their stars; as is Thomas, an outfielder and one of the fastest men on bases ever seen. Hildale's home grounds are at Darby, though they are seen in action there seldom, since they are in such demand to play independent clubs.

That Narberth will be primed for this contest goes without saying. Five victories in a row speaks well for the kind of game the boys have been playing of late. Manager Fred Walzer has not divulged the pitching selection for Monday's game, though it is rumored that one of the members of Connie Mack's staff will be seen in a Narberth uniform.

Due to the fact that a \$100 guarantee is paid the visitors it is hoped that donations of 35 cents instead of the usual 25 cents will be made.

WILL AWARD FORD

Due to the slowness of delivery, the model A Ford, which will be donated as a prize by the Narberth Tennis Association, will not be awarded until the week of the Clay Court Championship, which is to be held the last week of July at the club. Inquiries concerning the method of this award should be addressed to any member of the tennis club.

SUMMER SCHOOLS OPEN IN TOWNSHIP

Initial Enrollment Was 264—Upper Grades to Begin Monday.

GIVE GRADUATES JOBS

Elementary summer schools in Lower Merion opened their six-week term last Monday, with an enrollment of 264, according to a report made by Superintendent S. Edgar Downs to the Lower Merion Board of Education at its July meeting, held Monday night in the senior high school at Ardmore.

The Ardmore Avenue School led in enrollment, with 123. Ashland was second, with 86 students, and Bryn Mawr had 55 enrolled. Several additional students were added to the rolls this week.

Students of grades seven to 11, inclusive, who require make-up credit for the past term will begin their summer courses Monday at the Ardmore Avenue School. Their term will continue for five weeks, six days per week. Principal Ralph F. Davenport, of the Ardmore Avenue and Wynnewood Road schools, will be in local charge of the work, which will be conducted under the general supervision of the School of Education of the University of Pennsylvania, as in previous years.

Failures in various subjects for the fourth quarter of the past term in the three grades of the senior high school totaled 263, according to Superintendent Downs, or 10 per cent. of the total number of students enrolled in all the courses of study. The results were as follows:

In Latin 7 of the 138 failed; in French, 27 of 204; in German, 8 of 54; in Spanish, 23 of 195; in English, 58 of 643; in history, 37 of 461; in science, 16 of 390; in mathematics, 65 of 364; in commercial, 20 of 184. Many of those who failed will be able to remove conditions through the summer school work provided or through the help of private tutors.

Announcement was made of the selection of two teachers and five new clerks to commence work in September. The clerks, all of whom were graduated from the Lower Merion High School in the commercial course in June, are Mary Durning, Merion; Arabella Rainey, Cynwyd; Katharine Smith, Fairview; Elizabeth Cook, Narberth, and Grace Ibbotson, Bryn Mawr.

The teachers are Thomas C. Crammer, a graduate of Temple University with post-graduate work at Penn and teaching experience at Pennington, as commercial teacher in the senior high school, and Mary E. Hoff, a graduate of Arnold Col-

FOURTH COMES BUT ONCE

startled nerves. In many cases alarms were sent in to police headquarters at Ardmore.

The circus began Tuesday night, the eve of the Fourth, and take it from Officer Bitterman, who was at the telephone desk, it was a three-ring affair while it lasted.

"One man called in and complained of some kids who were using sparklers," Bitterman explained. "He was afraid that some of the sparks would set fire to his home. It turned out later that these were being set off half a block away from this man's house, but he was pretty worried about it and wanted us to chase the kids."

"There was another case, too, from Merion where someone claimed a shooting was going on. Said he saw two men running across his lawn and firing at each other. Must'a been someone shootin' off fire crackers. Anyhow no corpses were found in the vicinity."

A stranger walked in asking how he might bail out a friend who had been arrested on an assault and battery charge interrupted the discussion. The bunks were closed on the Fourth, he said, could he give a check for the bail amount required?

"Now, gotta have a cash," The Squire don't like checks.

A light shone on the switchboard and the deskman turned away to plug in.

"What? No, this is Bitterman. No, not vinegar. BITTERMAN, B-I-T-T-E-R-M-A-N. What? Some kids throwing torpedoes on the Pennsy trains at Bryn Mawr. Well, I'll be 't. All right, we'll get somebody to chase them."

"That's about the 20th complaint to-night," the deskman grunted. "Fourth of July comes only once a year, but how!"

SCOUTS TO MARK PIKE

Will Aid in Upkeep of Lincoln Highway for Its Entire Length.

The Boy Scouts of America, in co-operation with the Lincoln Highway Association, are planning to remark the Lincoln Highway from coast to coast. Today, the first group will come through the Main Line and at a later date in August, Scouts will place these markers at prominent spots.

Markers will be placed at the following points on the Montgomery County portion of the Main Line: Fifty-fourth and City line, Bala City line and Merion road, City line and Lancaster pike, Cricket avenue and Lancaster avenue, Penn and Lancaster avenue, Bryn Mawr and Lancaster in Bryn Mawr, Roberts road and Lancaster avenue in Bryn Mawr, Villa Nova College, Aldwyn and Lancaster, St. Davids road and Lancaster, Wayne Title and Trust in Wayne.

DR. KING HONORED

School Board Secretary Made Full Professor at Penn.

In the recent announcement of faculty changes at the University of Pennsylvania it was revealed that Dr. Leroy A. King, secretary of the local school board, had been appointed to the professorship of Educational Administration at the university. Dr. King is also director of the Bureau of Educational Measures.

Last week Dr. King was called before the Legislative Commission of the State to give a critical review of the commission's findings. This commission was appointed by the Governor to work out a revised system of educational administration for the State. Dr. King was called in to review the work of the commission because of two previous studies he has made.

WIN TWIN BILL

CONTINUED FROM THE FIRST PAGE

the score as Thomas took to first and stole second. Harris doubled to left forwarding Thomas. Mulligan walked and Harris was put out attempting to take third.

It was in the sixth that the seasaw action began and McMonagle thrilled with his daring homecoming. Gilfillan was thrown out; McMonagle took first and Masters poled one out to center for a single. Masters grounded to the infield, whereupon Mac took two. As Burke began his wind-up, Mac started for home, almost beating the throw and already on his back sliding for the pentagon before Humphries even began his swing which gave him a single, and forwarded Masters.

The seventh gave both teams two. Glatt and Lundy singled. Williams doubled scoring Glatt and Lundy came home as Hampshire muffed one.

Thomas took his base from a pitched ball and Harris sacrificed. Mulligan singled as the moundsman muffed one. Gilfillan clouted to center scoring Thomas and Mulligan. Mac's putout ending that period.

The eighth gave Narberth four and the following inning contributed the same number to the Indiana Professionals.

Masters and Humphries singled, Hampshire doubled forwarding Masters, and Gilfillan, running for Humphries, scored on Thomas single. Townsend scored Hampshire and Thomas, stealing third himself as the visitors were wondering what it was all about.

Glatt singled, stole second and was forwarded by Williams' grounder to right field. Edwards walked and Gold scored Williams on his sacrifice to center and Graham brought in Edwards and Gold, Wagner retiring the team.

The record crowd of 400 specta-

tors were very much disappointed when the second game of the Fourth of July twin bill was called on account of rain in the fifth inning. Narberth did by all means prove to the 7000 inhabitants who back them up, by their playing in each game that they are champions. Narberth again bettered all streaks as they took the fifth straight game, the last two being from the Indiana Professionals. Narberth got revenge in this second contest as they chalked up four runs in the first inning compared to the visitors' three in the opening inning of the first game. Howard Graham, on the hill for Narberth, pitched brilliantly to defeat his brother George, the rival moundsman.

In the opening inning Gilfillan singled, McMonagle was thrown out and Thomas walked. Walter Masters doubled scoring Gilfillan, and Humphries followed with a blank. Hampshire poled one out for a single and Harris, performing Walter's feat, forwarded Masters, Humphries and Hampshire. Score, Narberth, 4; visitors, 0.

In the second Narberth lost a wonderful opportunity to chalk up additional runs as Thomas, Mulligan and Gilfillan were ousted with Gilfillan, Mulligan and Humphries on bases. Gilfillan was forced out on second as Mulligan took first.

The fourth contributed two more to the Narberth total. Gilfillan, Mulligan and Humphries singled. Lundy threw Mike out on second and Thomas forwarded Gilfillan and Humphries on his clout to right field.

Walter's pop to right retired the local boys, and the black clouds, which had already retired most of the spectators, soon sent the teams scurrying for shelter.

REJOINS LEAGUE

CONTINUED FROM THE FIRST PAGE

Hilldale, I might say that no 'padding' of the team, with the possible exception of a pitcher, will be done for this game. The same boys who have been representing Narberth all season will be seen in the lineup.

"Also if there are any boys home from school or college who wish to play with the team I wish that they will come out to games and make themselves known. We can never have too many good players."

In its reorganized status the Main Line League will include the following teams: Narberth, Ardmore, Oakmont, Gladwyne, Berwyn and Newtown Square. The new teams for the second half of the season being Narberth and Newtown Square. There will be two traveling teams in the league; Ardmore and Gladwyne.

At the end of its first-half season the league ended in a tie between Ardmore and Berwyn, which will be played off later. Narberth opens its league season with Ardmore on July 14.

PAINTS STORE

Another improvement to the appearance of Haverford avenue was made this week with the painting of the Narberth Fruit and Produce Market operated by Sam Strauss, and the putting in of a new piece of pavement in front of the store. The painting was done by N. R. Peacock, of Narberth, with a color scheme of brilliant white.

Your Buick Dealer stands back of the USED CARS he sells

Your Buick dealer's reputation is worth far more to him than the profit on any used car transaction.

He is the head of an established business. He expects his business to grow steadily, year after year. He knows that to get more business, he must continue to please his present customers.

He carries a representative stock of used cars—including both used Buicks and cars of other makes. He offers you your choice of many makes and models, covering practically every price range.

You can ask his honest opinion of any car in stock and receive an honest answer. He wants you to be satisfied with the purchase you make because he wants you as a used or new car customer.

You're sure of a square deal when you buy from the Buick dealer. He knows that it is good business to stand back of the used car he sells you.

At the Theater

Junior Coghlan has become a member of "the fourth estate"! This juvenile Pathe-De Mille player portrays the title role in "Let 'er Go, Gallagher!" Richard Harding Davis' classic of newspaper life filmed under Elmer Clifton's direction. Coghlan plays the part of an office boy on a great metropolitan daily who succeeds in capturing a desperate murderer after all others had failed.

Reno—America's famous divorce dispensary—provides the setting for Marie Prevost's latest starring vehicle, "On to Reno," which will be presented at the Narberth Theater on Monday and Tuesday next.

Atmospheric melody is conducive to a screen player's greatest work, but silence is necessary for a dog film performer to act realistically before the camera.

In the De Mille studio, absolute silence was maintained by Director Frank Urson during the direction of "Almost Human," Vera Reynolds' latest starring picture in which three thoroughbred canines were employed. In order that the dogs might have surroundings that would enable them to do their best work, perfect quiet prevailed on the set. Not a sound was permitted during the rehearsals or the final taking of the scenes. Only the steady grinding of the cameras was heard when the action scenes were filmed, broken only now and then by the low, commanding voice of one of the trainers.

So well done and so fair is the German production, "The Raider Emden," which will be shown at the Narberth Theater on Friday and Saturday, July 13 and 14, that it is said audiences lose all sense of nationalism and are carried away with the heroic acts of both sides.

"The Raider Emden" is undoubtedly one of the best pictures made, and apart altogether from the representation of the Emden's naval activities, the picture is unusual for the acting and direction of Louis Ralph, a rising German actor-director, who portrays the role of Captain von Muller.

The film was made with the cooperation of the German Admiralty. Actual lengths of film taken during the war have been used to show two or three ships blown up and disappearing beneath the water, and the shelling of the Madras oil tanks is reproduced with realistic effect. The climax is harrowing as shells tear the Emden to pieces.

NARBERTH TAKES
THIRD STRAIGHT

Continues Its Winning Streak
at Expense of Mitchell A. C.

By JOHN UBERTI.

For the first time this season Narberth succeeded in bettering the two-straight-win act by defeating the Mitchell A. C., of the South Philadelphia league, on Saturday, June 30. This made Narberth's third straight and it was by the decisive score of 9 to 5. In facing the Mitchell boys Narberth met and conquered one of the strongest teams from the southern part of the Quaker City. Narberth was outthit eight blows to eleven but the heavy toll of errors by the visitors proved their downfall.

Their defeat was, in a large measure, due to the erratic playing of Shortstop Dooner. With five errors to his name and failures to grip other hard drives the visitors found his performance costly.

The opening inning found the local boys in fine fettle as they chalked up three runs. Gilfillan singled, stole second and advanced to third on Humphrey's single. Master singled on the second baseman's poor assist scoring Gilfillan. Davis forwarded Humphrey on exactly the kind of play; making first and scoring on the second-sacker's fumble and forwarding Master on his poor assist to the plate.

In the third Humphrey took third on the shortstop's error and Master did likewise on the right-fielder's fumble, later stealing second. Griffin blanked Thomas and Hampshire scored Humphrey and Master. Mulligan passed a ball whereupon Hampshire stole second, later covering the two remaining bases for another run as Mike grounded to centerfield.

In the fourth the score stood six to two. E. Gilroy lined to Thomas and Sutton scored Gilroy on his magnificent drive to McMonagle. Bennett lined to left, forwarding Sutton. Carberry missed three retiring his side.

In the fifth inning Master relieved Townsend and Babb played the rightfield. This inning gave the visitors one and Narberth two. Griffin and Foley singled and advanced their respective bases as Hampshire muffed Master's called ball. E. Gilroy was fanned and Dooner popped high to Gabb, whereupon Griffin took to the plate, beating out Babb's throw to Hampshire.

Master and Davis got on first; Walter on account of the shortstop's error and Gene from the pitcher's fumble. Hampshire gained first as Davis was put out on the pitcher's choice. Following Mulligan's put out Babb filled the bases with his drive to left and Gilfillan scored Thomas on the pitcher's poor assist to first.

In the seventh the visitors tallied four as Foley doubled on his clout to the highway and E. Gilroy singled as Gilfillan and Babb both failed to get the short fly. Dooner flied to Thomas whereby Foley came home. Sutton was blanked and Bennett was put out when caught of guard on first.

The eighth offered Narberth their last run. Humphrey hit high to the catcher and Master succeeded in reaching first on the shortstop's error. Davis singled on the pitcher's wild throw on his attempt to force Master out on second. Thomas scored Walter as the second baseman watched the ball go through his legs. With Davis and Thomas left on base Humphrey and Mike failed to score any further; Hampshire went out via a fly to center and Mulligan from a put out at first.

The ninth, in spite of the fact that no runs were scored by either team, was a memorable one. "Keefe" Parkes, 16-year-old Lower Merion sophomore, following in the footsteps of Folwell and Paul Scull and John Mulligan. Lower Merion contributions to the athletic world, pitched against the South Philadelphia team. Hurling nervously at the start, unaccustomed to the strange sight of 500 eyes upon him, he extracted himself from a very tight hole in the manner of a veteran.

Dooner opened on the youngster with a single; Sutton walked and Bennett, being hit by a pitched ball, took the base. The frenzied crowd went wild as he struck out Summonds after having allowed Bennett to pop high to McMonagle. R. Gilroy being put out with three men on base

brought the young moundsman immense applause for his very creditable performance.

RECOMMENDS ALL

Library Books of the Month Number
Thirty-five.

The library, not to be outdone by any other organization interested in books, recommends 35 books of the month for July, that being the total number of volumes which it has purchased during the last month. Should a systematic person choosing the first book on the list not feel satisfied until he has read them all, the library will be none the loser. And it recommends all the books it purchases.

Non-Fiction

"Dick Byrd," by Fitzhugh Green; "Intelligent Women's Guide to Socialism and Capitalism," by Bernard Shaw; "Son of Man," by Emil Ludwig; "Short Circuits," by Stephen Leacock; "The Misbehaviors," by Harvey Wickham; "The History of France," by Victor Duruy; "Pennsylvania Place Names," by H. H. Espen-shade; "What'll We Do Now?" by Longstreth and Holton; "History of Latin-American Nations," by W. S. Robertson; "China's Story," by W. B. Griffiths; "How the Bible Grew," by Frank G. Lewis; "Famous Prize Fights," by Jeffrey Farnol; "So You're Going to Italy," by Clara Laughlin; "The Island Within," by Ludwig Lew- isohn; "Life of Abraham Lincoln," by William E. Bartow; "The Coming of Christ," by John Masefield; "Trader Horn, Vol. II," by Horn and Lewis; "Dolly Madison, the Nation's Host- ess," by E. L. Dean; "Kit Carson," by Stanley Vestal; "Gentlemen, Be Seated," by Packman and Spaeth; "The Business of Being a Club Woman," by Alice Ames Winter.

Fiction

"The Rover," by Tristram Tupper; "Cabala," by Thornton Wilder; "The Double Chance," by J. S. Fletcher; "Black Valley," by Hugo West; "Debonair," by G. B. Stern; "Brook Evans," by Susan Glaspell; "The Age of Reason," by Philip Gibbs; "Gay- Neck," by D. G. Mukerji; "Battle of the Horizons," by Sylvia Thompson; "The Feathered Serpent," by Edgar Wallace; "Dawn, the Story of Nurse Cavell," by Reginald Berkeley; "Red Lily and China Jade," by Louise J. Miller; "Dog Lake Mystery," by Caro- line Wells; "Two Flights Up," by May Roberts Rinehart.

SUMMER SCHOOLS OPEN

CONTINUED FROM THE FIRST PAGE
lege of Physical Education, as ele- mentary physical director.

For the new school year some work in algebra will be given in the latter half of the eighth grade, also work in astronomy for seniors who do not desire chemistry and in salesmanship and filing for all senior commercial students.

Next year's senior high gradu- ating class will probably total more than 200 and will be the first of a series of much larger senior classes, Mr. Downs said. This year's class totaled 131. Promoted to the senior high school were 258 students, and 24 others may qualify later.

Twenty-eight students have been promoted from Narberth to junior high school (ninth grade), and 13 others may qualify after summer school. Students have been pro- moted to the junior high school (eighth grade) from the elementary schools as follows: Ardmore, 72; Ashland, 44; Bala, 20; Bryn Mawr, 56; Cynwyd, 36; Merion, 23; Mer- ion Square, 11; Wynnewood, 38; total, 300.

MAIL COLLECTED EARLY

A new daily collection of mail from all street letter boxes in the borough at 7 A. M. was announced this week by Assistant Postmas- ter J. Wallace Goodwin. All mail deposited in the boxes by this time will be dispatched at 9 A. M. Hitherto this mail did not leave till 12 noon, the new efficiency being made possible by the post office truck.

The post office also wishes to remind people that mail cannot be delivered by the carriers when the mail boxes are located inside screen doors which are locked.

TAX BILLS COMING

Inasmuch as an order has been received through this office for the printing of the 1928 tax bills, it is assumed that said bills are in process of preparation by Tax Collector Edwin P. Dold and will doubtless be in the mails in a couple of weeks. Due to the reduction of the bor- ough tax rate four mills and the school tax rate one mill, this year residents may hope for a propor- tionately smaller bill, despite the ac- tion of the county in assessing an extra mill.

GIVE WELFARE STATISTICS

Expect Ninety-eight Per Cent. Return
From Pledges.

A total of \$3,285,658.67 was sub- scribed by the people of metropolitan Philadelphia in the Welfare Federa- tion's seventh annual campaign last fall, according to announcement by the federation.

The number of men and women whose contributions made up this great philanthropic fund is 146,496.

"The amount subscribed by the peo- ple of Philadelphia exceeded the rec- ord of any previous year since the fed- eration was started in 1921," said Sher- man C. Kingsley, executive secretary of the federation, "and we are happy to share with our friends and sup- porters the encouragement which this achievement affords.

"The total amount subscribed, com- puted as of June 20, is made up of a total of \$3,282,185.39 subscribed to the Welfare Federation, together with \$3,473.28, contributed direct to the mem- ber agencies. These amounts added together bring the seventh annual cam- paign total to \$3,285,658.67.

"When we realize that this amount is only \$4,014.93 short of the campaign goal of \$3,289,673.60, we of the federa- tion are deeply encouraged. The pros- pect for the success of the eighth an- nual campaign next fall seems bright."

The announcement of the standing of the Welfare Federation fund is oc- casioned by the fact that the subscrip- tion department of the federation is now mailing statements to upwards of 10,000 subscribers, reminding them that approximately \$530,000 in pledges were due at the end of June.

Up to June 20, a total of \$2,260,386.79 was collected by the federation, which represents 68.93 per cent. of the fund subscribed in the last campaign. This collection record is 0.7 per cent. higher than the record at the same time last year.

The subscription department of the Welfare Federation is confident that the percentage of subscriptions col- lected will pass the 98 per cent. mark by the time the seventh annual cam- paign figures are completed, proving again, as the federation has proved in previous years, that a Philadelphia- nian word is as good as his bond.

The collection record for the 1927 fund, raised in the fall of 1926, was 98.02 per cent. for the 1926 fund, the record was 98.15 per cent.; 1925, 98.15 per cent.; 1924, 97.99 per cent. The federation is of the opinion this col- lection record is not surpassed in any city in the United States.

MARGARET R. LATCH

Mrs. Margaret Roberts Latch, wife of George D. Latch, died early Tues- day morning at her home, Broad Ave, near Ambler, Pa. She was a daughter of George Markle, who founded the Markle Dairy, Ardmore, and who sold it recently to the Scott-Powell Dairies. She is survived by her husband and three brothers: William and Samuel, at Fairview, Lower Merion, and George, Narberth.

Funeral services will be held 2.30 P. M. today at the home in Broad Ave, and interment will be made in Boehm's Cemetery, Bluebell, Pa.

DOING NICELY

Charles E. Harnden, popular treasurer of the Narberth Base- ball Club, who has been confined to the Presbyterian Hospital the past three weeks for operations for appendicitis and gallstones, is reported to be doing nicely and was discharged from the hospital this week.

FROM AFAR—For Good Things

Not an idle boast is the statement that our customers come from afar to buy White's sweets.

One customer drives to Narberth from Germantown; another from West Chester; many from Overbrook, from Merion, Bala-Cynwyd, Wynnewood, Ardmore, Haverford, Bryn Mawr, Villanova and St. Davids.

They come for our delicious pastry, baked in the most modern bakeshop on the Main Line; for the nuts that are roasted fresh every day; and most of all, for ice cream in fourteen (14) flavors, made as good as ice cream can be made.
